200m HDMI/KVM Extender over IP

HDES200-KVM

HDMI 200M Extender over IP is based on TCP/IP standard. It transmits your HD display with the high resolution up to 200 meters away from your DVD or computer source by using one CAT5e/6 cable.

At the same time, it's convenient to transmit HDMI audio and video source by point-to-point mode, one point-to-many mode and cascade connection mode.

Features:

- Support HDMI 1.3
- Support point-to-point mode, one point-to-multi point mode and cascade connection mode.
- 802.3 Ethernet standard.
- Support IR remote control
- Support USB mouse and keyboard extension.
- The design of pure hardware, plug and play, no need for additional software.
