

KX-TG6881

Panasonic PBX Wireless Telephone TG6881

Panasonic KX-TG6811 DECT Cordless Phone – Cordless – 300 m Range – 1 x Phone Line – Speakerphone. DECT cordless telephone with large white LCD and elegant design

- Caller ID enabled with call barring feature
- Phonebook for up to 120 contacts
- Large 1.8" white backlit display
- Noise Reduction key for clearer sound

Convenient DECT features

The handset boasts Panasonic's Noise reduction technology for a boost in clarity during calls; and also features an in-built loudspeaker for the convenience of hands-free. The KXTG 6811 can also be used to help manage unwanted sales calls with its intuitive call barring function (subscription to Caller ID is required for this to work); and up to 120 contacts can be stored in the phonebook memory.

Easy-to-use

In addition to the large display and user-friendly menus, the handset comes with a Smart Function key to make it easier to access some of the most frequently used features; such as missed calls, speakerphone, and snooze the alarm. And setting up the Panasonic KX-TG6811 couldn't be more straightforward thanks to the simple plug-and-play design.

Long battery life

For a budget model, the Panasonic KX-TG offers an impressive battery life capable of providing up to 15 hours continuous talk-time and 170 hours on stand-by ensuring that it is always ready whenever you receive or need to make a landline call. And the One touch Eco modes means that you lower the power consumption with the press of the eco button for energy efficient performance
